Art Unit: 1734

1. The following is an examiner's statement of reasons for allowance:

In a method of manufacturing a plastic oil pan having an integrated oil filter, the prior art does not teach or make obvious the concept of vibration welding the first flange to the second flange, whereby the second filter component is fixed upon the oil pan integrated surface section in a manner to create a hermetic seal between the second filter component and the oil pan integrated surface section in the manner claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Sells whose telephone number is (571) 272-1237. The examiner can normally be reached on Monday-Friday between 9:30 AM and 6:00 PM.
